AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Selectmen, Treasurer, Trustee of Trust Funds, Collector of Taxes, Overseer of Poor, Trustees of Library, Sexton, Road Agent, and Town Clerk and find them properly cast and sufficiently vouched for.

SIDNEY O. DAVIS,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Marlow School Board:

I herewith submit my first annual report as your superintendent of schools.

The most important parts of a school system are the children; next the teachers; then those necessities—houses, heat, books, and scholars' supplies; and after these several important helps of which we should have as many as we can afford.

Pupils are not alike, some are naturally quiet, others are full of energy; some remember facts simply from associated facts, others by direct eye and ear images; some do better if left to work things out for themselves, others need considerable help and guidance. We are beginning a testing program that will help the teacher to determine the needs of the individual pupils. Tests show the teachers a pupil's ability along certain educational lines, but leave undetermined many factors of a child upon which their success or failure in school and in later life depends.

It is my opinion that far better than an elaborate card system are good common sense teachers who will visit the homes, stand ready to help with kindness the individual pupils, supervise the buildings and grounds, and encourage clean play among their pupils. Miss Vera L. Hamblet is teaching in the upper grades and Miss Bertha Wright in the lower grades. Both are graduates of Keene Normal School. Your teachers are well prepared, enthusiastic, and energetic. They are using modern methods, keeping the building and grounds in good order, and are maintaining an even discipline among the pupils.

A strong fence has been placed along the rear and sides of the grounds. It is of good material, was well built, and should last many years.

I began work in your union August First and had but a short time to look over the field before schools opened. It was hard for me to get in mind many details. The committeemen of the union have been very kind. I wish to thank the members of the Marlow School Board for their help, and the teachers for their co-operation.

Respectfully submitted,
WALTER L. MASON,
